and op 10 common shareholders with unlimited sales conditions agreed on a repurchase transaction during the reporting period

agree on a repurchase transaction during the reporting period

## 2. Total number of preferred shareholders and the top 10 preferred shareholders' shareholdings of the Company

## Section 3: Important Matters

### I. Cases and causes for the change in the main financial data and financial indexes during the reporting period

#### 1. Balance sheet items

The advances to suppliers increased by 69.47% at the end of the reporting period compared with the beginning of the year, which was mainly caused by the increase in advance for the purchase of raw materials at the end of the reporting period compared with the beginning of the period.

Other receivables decreased by 36.50% at the end of the reporting period compared with the beginning of the year, which was mainly caused by recovery of dividends receivable under other receivable accounts at the current period.

Other current assets decreased by 51.83% at the end of the reporting period compared with the beginning of the year, which was mainly caused by the decrease of the prepaid tax at the end the reporting period compared with the beginning of the year.

The long-term equity investment decreased by 36.30% at the end the reporting period compared with the beginning of the year, which was mainly caused by the decrease in the operating performance of the joint venture De Dietrich Trading (Shanghai) Co., Ltd. in the current period and the corresponding decrease in investment income attributed to the company.

The deferred income tax assets increased by 58.55% at the end of the reporting period compared with the beginning of the year, which was mainly caused by the temporary differences arising from accrued sales expenses.

The payroll payable decreased by 84.26% at the end of the reporting period compared with the beginning of the year, which was mainly caused by the payment of employee salaries and bonuses for the beginning of the year in current period.

The tax payable increased by 36.23% at the end of the reporting period compared with the beginning of the year, which was mainly caused by the increase in payable income tax and value-added tax at the end of the reporting period compared with the beginning of the period.

#### 2. Income statement items

The taxes and surcharges decreased by 42.07% year-on-year during the reporting period, which was mainly caused by the decrease in revenue, corresponding reduction in taxes and surcharges in current period.

#### 3. Cash flow statement items

The net cash flow from operating activities decreased by 244.03% year-on-year during the reporting period, which was mainly caused by the deduction of operating income and the decrease of repayment in current period.

The net cash flow from investment activities decreased by 87.34% year-on-year during the reporting period, which was mainly caused by the decrease of financial product capital due recovered in current period and the decrease in cash inflow from investment activities.

## **II. Progress of important matters and their impact and solution analysis**

Implementation progress of share repurchase

Implementation progress of reducing repurchased shares by centralized competitive bidding

## **III. Commitments not fully fulfilled by the Company's actual controller, shareholders, related parties, acquirer and other commitment parties during the reporting period**

s, related parties, acquirer and other  
commitment parties during the reporting period

## **IV. Securities investments**

The company had no securities investments in the reporting period.

## **V. Entrusted financing**

The Company had no entrusted financing during the reporting period.

## **VI. Derivatives investment**

The company had no derivatives investments in the reporting period.

## **VII. Illegal external guarantee**

No illegal external guarantee of the Company during the reporting period.

## **VIII. Non-operating occupation of funds of listed companies by controlling shareholders and their related parties**

No non-operating occupation of funds of listed companies by controlling shareholders and their related parties during the reporting period.

## IX. Registration form of reception, research, communication, interview and other activities during the reporting period

Reception time	Reception way	Type of received object	Basic information index of the survey
January 2, 2020	Field survey	Organization	See the <i>Robam Appliances: Record Chart of Investor Relation Activities on January 2, 2002</i> in cninfo
